# CHARTER STATEMENTS

Charter Statements have been tabled in Parliament for every Government bill since 2019.

# 1

# 2

Charter Statements inform parliamentary and public debate on a bill. They also help increase awareness and understanding of the *Canadian Charter of Rights and Freedoms*.

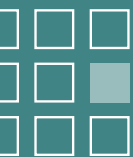

Charter Statements identify how a bill may affect rights and freedoms guaranteed by the Charter.

# 3

# 4

Charter Statements are not legal opinions on the constitutionality of a bill.

Charter Statements contribute to a culture of respect for the rights and freedoms of Canadians throughout the law-making process.
